## **Council leaders back 'Suffolk to the Power of Three' option as part of local government reorganisation consultation:**

The consultation seeks views on the two proposals submitted for Suffolk: the Three Councils for Suffolk case submitted jointly by the district and borough councils, and One Suffolk, submitted by Suffolk County Council. You can find out more on [the Three Councils for Suffolk website](#), including the benefits of our case for businesses, residents, town and parish councils and for the voluntary and community sector. In addition to our case in full, there are also [Q&As](#) which may help you respond to queries from residents. The site also includes a link to the [One Suffolk website](#) to ensure awareness of both cases.
